

REMEMBERING 1916 LIFE ON THE WESTERN FRONT

In 2016, Whitgift will be hosting a major exhibition, to mark the Centenary of the First World War. There will be particular focus on 1916, a pivotal year which saw a number of significant battles, including the Battle of the Somme, one of the most famous in British military history.

Remembering 1916 – Life on the Western Front will display a large number of superb exhibits, many of which have never before been on public display. There will be a number of special presentations, including the world before the War, and the re-creations of an Edwardian room and a WWI trench.

This impressive exhibition will be staged at Whitgift School, and opens in March 2016. The Exhibition will be of the highest quality, offering an outstanding platform for increasing product awareness, and providing opportunities for companies to entertain clients at private viewings and receptions/banquets, via a choice of sponsorship packages, which are set out in this leaflet.
